A permit shall be denied if the planting(s) will likely create a future public nuisance or danger. Any tree planted within the public right of way or on public property pursuant to this Chapter shall become the property of the City.

2. Removal: A permit shall be issued for ~~any removal/replacement~~ of a public tree/ or shrub, including where the Ceity Fforester finds the tree/ or shrub interferes with performing public improvements within the public right of way or on public property, or the tree/ or shrub creates a public nuisance or danger ~~to public safety~~. All public tree/ or shrub removal shall conform to with the "City Forestry Standards of Practice and Specifications".

No person shall close any street, alley, boulevard/ or parkway, highway, sidewalk, or trail to remove a public tree/ or shrub or private tree, or any portion thereof, without first obtaining the approval for such closing from the Ceity in writing.

3. Treatment: A permit shall be issued for the treatment of any tree located within the public right of way for disease or insect infestation. A permit will only be issued when the tree has been designated by the City Forester as a candidate for possible treatment. When required by law, treatment shall be performed by a commercial pesticide applicator licensed to perform work in the State of Iowa and shall consist of chemical treatments approved by the City Forester.

B. Permits; Contents of Permit Application: The application shall be made on a form supplied by the Ceity. A fee ~~should~~ may be assessed for the permit to cover the cost of administration. Fees will be established by resolution of the Ceity Ceouncil. Fees will not be required from public agencies or franchised utilities ~~to that~~ operate within the Ceity. The applicant shall, at the time of making the application, agree in writing to, in all respects, save the Ceity harmless, indemnify the City, and protect the Ceity and the public at all times in connection with work done under such permit.

C. Inspection of Location Designated by the Permit: The Ceity Fforester shall inspect the location designated by the permit, and if in his/ or her opinion it will be desirable that such tree or shrub be planted, removed, treated, or otherwise disturbed, ~~he/she~~ the City Forester shall issue a permit.

D. Improper Planting: Trees and shrubs planted within the public right of way or on public property without authorization or in accordance with an issued permit, and public trees/ and shrubs found growing in violation of the "City Forestry Standards of Practice and Specifications", are subject to removal by the Ceity Fforester following the appropriate notification. ~~notices. If the trees or shrubs are not in violation other than a permit was not acquired, the person shall acquire a permit at double the cost.~~

E. Utility Requirements: All public utilities, their agents, employees, and subcontractors shall operate under an annual permit to prune public trees/ and shrubs for the purpose of eliminating potential hazards to public safety, to maintain their facilities, and to install or replace existing utilities. The annual permit requirement shall not apply to City-initiated public improvement projects. The utility company shall provide to the Ceity Fforester a copy of its work specifications and work schedule a minimum of forty eight (48) business hours prior to the commencement of any work. In cases of emergency, notification shall be given a maximum of forty eight (48) hours after the commencement of work. All work must comply with the "City Forestry Standards of Practice and Specifications".

7-10-6 7: GENERAL STANDARDS:

Any person growing a tree, shrub, garden, or other vegetative growth, or installing landscaping, structures, or other objects located within private property which encroaches upon the public right of way or that interferes with the vision triangle as provided in this code, or any person growing a public tree or shrub, shall comply with the following standards:

A. Maintenance: Public trees or shrubs located within the public right of way shall be maintained by the owners of abutting property in accordance with this Section and the "City Forestry Standards of Practice and Specifications" at the cost of the property owner. Maintenance includes but is not limited to watering, fertilizing, insect and disease control, treatment, and pruning. The City may perform maintenance of trees and shrubs located within the public right of way at the discretion of the City Forester.

A. B. Pruning: Trees or shrubs in the public right of way shall be properly pruned by the abutting property owner and trees or shrubs on private property shall be properly pruned by the property owner for the purpose of preventing the following potentially hazardous situations: the obstruction of traffic signs; the obstruction of a clear view of street and alley intersections; the obstruction of the proper lighting of public streets and places; and the obstruction of public walks, ~~pathways (bike)~~ trails, or streets. The minimum vertical clearance of trees and shrubs shall ~~have be~~ be fourteen feet (14') between the surface of a street and the lowest branch. ~~Branches~~ The minimum vertical clearance shall have be a minimum of eight feet (8') between the surface of a sidewalk, trail, or other pedestrian way and the lowest branch. All pruning shall be done in accordance with the "City Forestry Standards of Practice and Specifications". The City may perform pruning of public trees or shrubs at the discretion of the City Forester.

~~B. Maintenance: Public trees or shrubs shall be maintained by the owners of abutting property in accordance with this section and the "City Forestry Standards Of Practice And Specifications". Maintenance shall include watering, fertilizing, insect and disease control, and pruning.~~

C. Avoid Damage or Nuisance: The planting of trees, shrubs, gardens, or other vegetative growth, or the installation of landscaping, structures, or other objects on private property which would cause a public danger or nuisance shall be prohibited.

D. Street or Alley Intersection: The planting of trees, shrubs, gardens, or other vegetative growth, or the installation of landscaping, structures, or other objects on corner lots or lots adjacent to an alley within the area bounded by street or alley lines of such lots and a line joining points along said street or alley lines twenty five feet (25') from the point of intersection of the public right of way lines, defined in this code as the "vision triangle", shall be limited to trees, shrubs, gardens, and other vegetative growth, and landscaping, structures, and other objects located within this area that shall not exceed two feet (2') in height, and the lowest branches of any trees planted outside of this area, but the branches of such trees that extend within this area, must be a minimum of ten feet (10') in height. Height shall be measured from the curb elevation and trees, shrubs, gardens, and other vegetative growth must be pruned or maintained to comply with these height restrictions to create an unobstructed view of the intersection between heights of two feet (2') and ten feet (10') above the curb elevation. Notwithstanding these height restrictions, no trees, shrubs, gardens, or other vegetative growth shall be planted within the vision triangle that create or constitute a vision obstruction to vehicular, bicycle, or pedestrian traffic. Similarly, no landscaping, structures, or other objects shall be placed within the vision triangle that create or constitute a vision obstruction to vehicular, bicycle, or pedestrian traffic. The city shall have sole discretion to determine whether a vision obstruction exists for vehicular, bicycle, and pedestrian traffic. There shall be no compensation by the city to the affected property owner for any damage to or removal of any trees, shrubs, gardens, or other vegetative growth, or any damage to or removal of landscaping, structures, or other objects, encroaching upon the public right of way or that interferes with the "vision triangle" as defined in this code.

E. Dead, Or Diseased, or Insect Ridden Trees or Shrubs: Dead, or diseased, or insect ridden trees or shrubs shall be subject to the following conditions:

1. Public Trees or Shrubs: The Ceity Fforester shall coordinate treatment or removal of any public tree or shrub which is so hazardous, diseased or insect ridden as to be deemed a nuisance and constitutes a hazard to other trees or shrubs or the public safety. Public trees that are at risk of becoming diseased or insect ridden may be treated or pre-emptively removed by the City as part of a management plan approved by the City Council. Trees in the public right of way not identified for treatment by the City and not deemed a nuisance or a hazard may be treated by the abutting property owner with an approved permit.

2. Trees or Shrubs Located within Private Property: The ~~city forester~~ Code Enforcement Officer shall provide written notice to be served on a property owner by personal service, or by certified mail with return receipt requested and regular mail, requiring the treatment or removal within fourteen (14) calendar days of notification of any trees or shrubs located within private property which are ~~either~~ dead, diseased or insect ridden so as to be deemed a nuisance and constitute a hazard to public trees or shrubs, other trees or shrubs on private property, or public safety. Such removal, pruning, or treatment as required by provisions of this section shall be subject to the applicable "City Forestry Standards of Practice and Specifications".

F. Prohibited Trees: Trees prohibited from being planted within public property shall be identified by the City Forester and included on an official list. Copies of this list shall be made available at City offices and on the City website. The following trees shall be prohibited within a public right of way: black locust, box elder, Bradford pear, catalpa, cottonwood, cotton bearing poplars, Lombardy poplar, mulberry, Siberian elm, silver maple, tree of heaven, weeping birch, white poplar, willows, conifers, or thorn trees.

A. Any appeal of a decision of the Code Enforcement Officer or Ceity Fforester shall be submitted in writing to the Code Enforcement Officer or Ceity Fforester within ten (10) calendar days of the date the City personally served or mailed the notice. Fees for appeal shall be established by resolution of the Ceity Ceouncil. The subject matter of an appeal may be the issuance of permits under this Chapter, the concurrence of the City Forester in permits required under other ordinances or policies, violation notices issued by the Code Enforcement Officer or City Forester, or other relevant matters involving the interpretation and enforcement of this Chapter.

B. The appeal shall be considered heard by the ~~shade tree commission~~ City Manager or designee within thirty (30) calendar days of receiving the appeal. Action by the Code Enforcement Officer or Ceity Fforester shall be stayed until the decision of the ~~commission~~ City Manager or designee is rendered, unless the Code Enforcement Officer or Ceity Fforester certifies to the ~~commission~~ City Manager or designee, after notice of appeal shall have been filed with him/ or her, that by reason of the facts stated in the petition, a stay would, in his/ or her opinion, cause imminent peril to life or property. In such a case, proceedings shall not be stayed unless otherwise than by an injunction restraining order has been obtained which may be granted by the commission or by from a court of record ~~on application on notice to the city forester and on due cause shown.~~

C. The ~~commission~~ City Manager or designee may reverse, affirm, modify, or waive, wholly or partially, any decision of the Code Enforcement Officer or Ceity Fforester, or the ~~commission~~ City Manager or designee may grant, deny, or revoke any permit or license. The decision of the ~~commission~~ City Manager or designee shall be final.

7-10-11 12: PROTECTION OF TREES:

All public trees/ and shrubs deemed to be saved during construction or reconstruction activities shall be protected by the developer/ or property owner from damages or disturbances, including their root systems. Protective fences shall be placed and maintained at or beyond the drip line of public trees/ and shrubs that are unaffected by approved excavation or construction activities, but are subject to damage during said activities. Any disturbance of any kind within the fenced area shall be prohibited. Cutting, boring, and filling soil within the drip line of a public tree/ or shrub to be preserved shall be prohibited unless otherwise approved by the Ceity Fforester. Soil compaction caused by any type of equipment shall not be allowed to occur over the protected area of the root zone of any public tree/ or shrub unless approved by the Ceity Fforester.

7-10-12 13: INTERFERENCE WITH THE CITY FORESTER, CODE ENFORCEMENT OFFICER, OR CITY EMPLOYEES ENFORCING THIS CHAPTER:

It is unlawful for any person or property owner to hinder, obstruct, or otherwise interfere with the Ceity Fforester, Code Enforcement Officer, or employees of the Ceity while engaged in carrying out the provisions of this chapter.

7-10-13: ~~VIOLATION NOTICE:~~

~~A notice of violation of any provision of this chapter shall:~~

~~A. Be in writing;~~

~~B. Include a sufficiently detailed description of the violation;~~

~~C. Allow a reasonable time for the performance of any required remedial actions or order to cease and desist all work regulated by this chapter;~~

~~D. Be served personally, or by certified mail with return receipt requested; or if the certified letter with receipt is returned undelivered, then by posting a copy of said notice at the address of the responsible person.~~

~~If the responsible person fails to undertake the remedial actions specified in the notice within the allowable time, the city forester may take steps to effect compliance with the violation, to revoke any applicable permit, and assess reasonable costs to the responsible person.~~

7-10-14: PENALTIES:

The following penalties shall be imposed upon any person or property owner who violates any provision of this chapter:

A. Any person or property owner who violates the provisions of this chapter, upon conviction, shall be punished as set forth in Title 1, Chapter 4 of this code.

B. ~~In addition to the penalties provided above, a~~Any person or property owner found guilty of violating the provisions of this chapter ~~shall~~ may be required to pay the cost of repair or replacement of such public tree/ or shrub. The replacement costs shall be determined in accordance with the latest version of "A Guide for Plant Appraisal" as published by the International Society of Arboriculture and authored by the Council of Tree and Landscape Appraisers.

C. The Ceity reserves the right to collect costs in addition to penalties. The imposition of any penalty of a violation of this chapter shall not be construed as a waiver of the right of the Ceity to collect the costs of removal or treatment of any tree or shrub in accordance with the provisions of this Chapter section.

D. Public utilities ~~shall~~ may be held responsible for the replacement of any public tree/ or shrub which has been severely damaged or died in the opinion of the Ceity Fforester as a result of the ~~normal~~ maintenance ~~and/or~~ new installation of utilities. The Ceity Fforester shall coordinate with the public utility appropriate and reasonable replacement of said severely damaged or dead public tree/ or shrub in accordance with the "City Forestry Standards of Practice and Specifications".

E. ~~Public utilities shall be exempt from paying the cost of repair or replacement of any public tree/shrub which has not been severely damaged or died in the opinion of the city forester as a result of normal maintenance and/or new installation of public utilities.~~ Property owners abutting the area on which adjoining the public tree/ or shrub is located shall be notified by the utility company forty eight (48) hours prior to the commencement of any utility repair, maintenance, or replacement activities which will affect or harm the public trees/ or shrubs. In cases of emergency repair, the Ceity Fforester ~~will~~ shall have the option to waive ~~of a waiver for said notification actions~~.

SECTION 2. REPEALER. All Ordinances or parts of Ordinances in conflict with the provision of this Ordinance are hereby repealed.

SECTION 3. SAVINGS CLAUSE. If any section, provision, sentence, clause, phrase, or part of this Ordinance shall be adjudged invalid or unconstitutional, such adjudication shall not affect the validity of the Ordinance as a whole or any provision, section, subsection, sentence, clause, phrase, or part hereof not adjudged invalid or unconstitutional.

SECTION 4. EFFECTIVE DATE. This Ordinance shall be in full force and effect from and after its passage, adoption, and publication as required by law.

PASSED AND APPROVED this _____ day of _____, 2015.
